KAN Books is a bookstore dedicated to Michigan authors & artists of color. The KAN Books Co-op is a worker co-op that aggregates books, music, art, and merchandise to be placed in the bookstore.

Benefits to being a part of the co-op include having your items storefront, placed in the online store, shared vendor booths and discounts towards use of the space for events and technology available at the bookstore. Membership is both in money (from \$5 and up) and time (according to membership level). The more members, shared hours, and shared money; the more rent can be paid and more we can staff the bookstore as a co-op. Money from any of your items sold would go directly to you; the bookstore generates revenue from other book sales.

Minimal commitment to the Co-op is for 3 months. Membership time and monetary payments can be made monthly. For more information please contact Jamii tata at 313-473-7082.
